25X1

1. At the end of November 1950, 100 heavy flat cars with eight axles each were brought into the Russian Zone from the Soviet Union. After delivery 25X1 these cars were altered to fit the gauge of the German railroads.

2. These cars are expected to be used for the transportation of heavy armored field vehicles between the Soviet Union and the Russian Zone of Germany.

3. More of these cars are expected to be brought in soon.
